Observation:

1. The students attended the training with full enthusiasm and motivation. They were aware about the benefits of attending the training.
2. The students were asking their doubts on regular basis from the trainers.
3. The content (training booklet) has been provided to the students on first day of training.
4. The attendance was appreciable (avg. >90%) during the training.
5. The assessment on alternate basis have been scheduled on the topic covered. Total 6 assessments have been scheduled for the students.
6. Daily morning meeting and lunch discussion has been planned for discussing day to day issues/attendance/assessment participation.

7. There is no coordinator from Seventh Sense from 29th July till 31st July 22.
8. One trainer (Mr.Nishan with Mr. Venkatesh) has been replaced by Seventh Sense due to the issue in session delivery on 1st Aug 2022.
9. There are placement process of 3 companies during the training days (Nagarro – 30th July, VectoScalar – 4th Aug, Argusoft – 5th Aug).
10. There were few discipline issues in some slots.
11. Seventh Sense identified 3 students from each batch on the basis of various parameters (participation, marks, attendance etc.) and give them token of appreciation.

Outcome:

1. The students were acquainted with Quantitative Skills, Logical Reasoning and Verbal Ability skills provided in the training.
2. The students were confident in applying these skills in the assessments conducted during the training period.
3. The student appreciated the content and teaching methodology of the program.
4. They have been told about the resume preparation and interview handling also.

Suggestion:

On the basis of the observations, the following suggestions has been proposed:

1. The training can be planned early as the placement process of many companies got started in the last week of July.
